Hi Willie, the 15th agenda is not published yet. Does the hold up have anything to do with NYWD \$225k agenda item? Can you confirm the item is definitely on the agenda, and if so, can you send us the verbiage?

Thank you,

It is on the agenda which should be published shortly. I don't have the verbiage on my phone.

Good morning Willie

If you still have 10/22 open it works for me. Let me know where you'd like to have lunch and I'll be there.

Jeff
