Re: Mitigated Negative Declaration, Forbestown Ditch Pipeline Project, SCH No. 2020069035

Dear Sir or Madam:

The North Yuba Water District ("District"), submitted a Notice of Completion and Initial Study and Mitigated Negative Declaration for the Forbestown Ditch Pipeline Project (SCH No. 2020069035) ("Project") to the state clearinghouse on June 23, 2020.

The District has elected to engage in further review of the Project before proceeding with any Project approvals. Consequently, the District requests that the Notice of Completion and Initial Study and Mitigated Negative Declaration for the Project be withdrawn from the State Clearinghouse.

I appreciate your response in handling this request. If you have any questions, please contact me at [kerry@churchwellwhite.com](mailto:kerry@churchwellwhite.com).

Best,

Churchwell White LLP
